The first poster exhibition held at the art gallery of the Department of Fine Arts, National Taiwan Normal University to display the 22 work of the inaugurating members, including Pang-Soong Lin, Ming-Lung Yu, Szu-Sheng Kao, Kuo-Sung Yeh and Yung-Fu Chiu, has received much public attention. Since the very beginning the CPDA (TIPDA) has been aiming to "love Taiwan, cherish the tradition, care for design, and to look forward to the world" and engaging in creation, display, exchange and discussion of poster design. Besides the regular annual theme poster exhibition, the Taiwan tour exhibition and the poster appreciation and education work, CPDA is the very first private poster design association to engage in exchange across the strait, and has held overseas exhibitions in Beijing, Shanghai, Hanzhou, Shenzheng, Wuhan in China and in Singapore. In addition, CPDA members participate in international poster design contests like Poland-Warsaw Poster Exhibition, Finland-Helsinki Poster Exhibition, JapanFujiyama Poster Exhibition, Mexico Poster Exhibition etc. Moreover, upon the invitation of the Commission for Cultural Reconstruction, CPDA members will select some best work in the exhibitions held in the Taipei Press and Cultural Center in New York and Paris in July and September 1998. With the aforesaid beliefs and participation in various exhibitions, CPDA has received acclaims and recognition from the world, and the participation of masters like Shih-chao Wang, Ching hui Ho, Shang-ru Cheng, Ping-nan Wang, Yung-chi Chen even strengthens the cast of CPDA and makes up the number to 37 persons. This year CPDA joins the National Taiwan Museum of Fine Art Education and the Design Association of the Republic of China to organize the Taipei International Poster Festival 1997 of the Taipei International Visual Art Exhibition 1997. There are 160 artists from over 30 countries like Japan, USA, Germany, Poland, UK, HK, China, Taiwan... to display over 300 posters. It not only is an unprecedented cultural exchange and design exhibition but also a well-rounded civil diplomatic achievement. In the poster festival we have also invited Dr. Jürgen</p>	<p>D&amp;ing from Hamburg Art &amp; Craft Museum, Mr. Keizo Matsui of Japan-DDD Art Gallery, Mr. Tai-Keung Kan from HK, and Mr. David H. Wang of Taiwan to deliver four topic speeches on appreciation and creation of poster. Each speech was full and received much acclaims, so the exhibition has been extended to 11 January 1998. Withholding to the founding belief, CPDA will continue the tradition of the association and put greater efforts in exchange and promotion of poster design, in hopes of making the Taipei International Poster Exhibition one of the leading international poster design events to give chances for local designers try the catwalk.
